

## GUIDELINES FOR APPEAL PROCESS OF RATINGS

A player wishing to appeal needs to choose one of these 3 options and indicate on the Appeals Form:

Option 1: A player may wait until the Ratings Committee has 3 other players of the same rating level. This would cost the player \$6.

Option 2: A player who wants to get their own 3 players together would pay \$24. It would be the responsibility of the player to set this up with the pro and pay the pro.

Option 3: A player can wait until the next rating session scheduled by SBRTA and pay the required fee (include a check for \$6 with the appeal form)

## OTHER STIPULATIONS OF THE APPEAL PROCESS

A player can continue to play in his/her self-rated level if they have turned in their appeal form and selected Option 1, 2, or 3.

A player not rated may not play in the Festival, any organized play labeled Advanced, and any play with outside clubs or SBRTA sponsored events.

Non-rated players can play in open sessions.
